

BULL CREEK PRIMARY SCHOOL

Dear Parents,

Nature Play Solutions is facilitating a Messy Mud Session on Wednesday 29th November at school for the Pre-Primaries.

A visit by a Play Consultant with a magic mud mix from Nature Play Solutions to guide and support a mudtastic fun-filled time! Messy Mud Day will inspire children to connect with the natural world and provide; a hands on, feet in and whole body mud experience.

Children will be able to:

- Explore muddy sensory sensations,
- Expand understandings of the properties of mud,
- Enjoy a creative and energetic outlet,
- Extend comfort zones, and
- Exercise a need to be 'silly' and have fun!

On this day, children will need to come dressed in play clothes and a play hat that can get very messy and a complete change of clothes (school uniform) and a pair of thongs in a plastic bag, all labelled with their name.

The cost of the Messy Mud Day will be \$10.

- Please pay your child's teacher the correct amount by the end of Week 7.
- \$10 will be deducted from your incursion/excursion levy paid at the beginning of the year.

Many thanks,

Kind regards,

Tracy Abbott
