

PERMISSION TO PUBLISH

Dear Parent,

The school requests your permission to publish video or photographic images of your child taken during school activities and samples of your child's work which may include your child's first name only.

If you give your permission, the school may publish images of your child and/or samples of work done by your child in a variety of ways, including, but not limited to, online and hard copy school newsletters. If published, third parties would be able to view the photographs and work, which may include your **child's first name only**. If such images are captured, they would be used for the purpose of educating students, promoting the school, or promoting public education.

Any images captured by the school will be kept for no longer than is necessary for the above-mentioned purposes and will be stored and disposed of securely. Whilst every effort will be made to protect the identity of your child, the Department of Education cannot guarantee that your child will not be able to be identified from the image or work.

Please complete the form below and return it to the school. Tick the box if you agree to permit the school to capture and publish images of your child, or samples of your child's work which may include your child's first name.

This form will remain effective until such time as you advise the school of any changes.

Yours sincerely
