Dear Parents

If you are doing your usual clean out over the holidays then you can make a difference to the street children in the Philippines. The Prefects and Year 6/7 children in Banksia 5 are coordinating.

**Shoeboxes for Street Children in the Philippines**

All you are required to do is get a shoe box, decide on a gender and age group (2-4, 5-9, 10-14) and fill it up with new or used articles. These can include clothes your children have outgrown, old toys (not battery operated), stationery (pencils, rulers, sharpener, erasers etc.), storybooks, tennis balls, puzzles and hygiene items (soap, face towel, comb, hair clips, toothbrush). No liquids please.

So let’s get sorting and packing. We look forward to seeing those boxes pouring in during the first week of Term 4.

**The Prefects and children of B5**
