

## WILLETTON BASKETBALL DEVELOPMENT TRAINING ACADEMY PROGRAM TERM 4 2017

The **Development Training Academy Program** for boys and girls aged 9 years and over will begin on Sunday 15 October 2017 and will run for 8 weeks.

This program is not an elite level program but is designed for children playing at domestic level who would like the opportunity to spend time with good coaches working on specific skills.

Our aim is to enhance each participant's physical, social and basketball skill development by training children in smaller groups (one coach to a maximum of 6 children, thereby enabling children to receive individual attention and to focus on specific skill sets.

Our focus is working on shooting and ball handling fundamentals. Repetitive drilling is used to ensure players develop good techniques that will benefit their game in the long term.

We strive to make these sessions fun and enjoyable while creating a positive learning atmosphere. Through the sessions the children will be given constant feedback from coaches on skills and performance.

Due to the popularity of the Academy, there will now be two sessions offered each Sunday. Details of the Academy are below but if you have any questions, please phone Jeff Anderson on 9310 3388.
