

## BULL CREEK PRIMARY SCHOOL | NEWSLETTER #4 – 2024

### Principal's Message

Dear Parents and Carers,

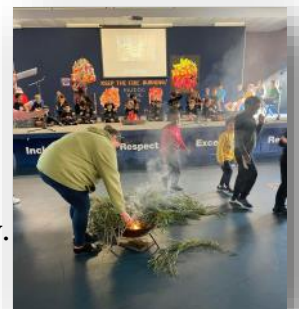

We are now in Makuru season which is the coldest and wettest time of the year. I would like to say thank you to the staff, students and families for your support and engagement throughout this long, but highly successful term. The staff and students have worked tirelessly throughout the term with lots of educational and engaging learning experiences including incursions and many sporting events.

Our Semester 1 reports went home on Tuesday to families, it has been a pleasure to witness the level of engagement and learning across the cohorts as the term progressed. As Principal, it is always a privilege to read these reports and celebrate our students' achievements. Please note the link you received via email/Connect will only remain live for four weeks so don't forget to download your child's school report and save them to a safe location for your future use.

The school has had a few staffing changes late this term and some going into next term. We would like to let our community know that Mr Brandon Ellis will be taking on a Deputy Principal role at Riverton Primary next semester. Bull Creek Primary community wish Mr Ellis all the best with his new leadership journey. Mrs Judith Rolfe will be the classroom teacher in Wattle 1 for Semester 2.

I would like to welcome Miss Isabella McGlew who will be the Year 4 teacher in Sheak 4 for Semester 2 as Miss Tloczek has gone on maternity leave. Ms Lynda Pateman will be working in Music on Tuesdays for Semester 2 to replace Mrs Cosford. Mrs Louise Twist is taking on the Deputy Position whilst Ms Owen is on leave. Mrs Amanda Allier will be taking over the Digital Technology role three days a week whilst Mrs Twist is in administration. Miss Sam Pearson will be in Wattle 2 three days a week until Ms Owen returns and then staff will resume their original roles.

Today's NAIDOC assembly was outstanding and really demonstrated the depth and understanding our students are learning about the Aboriginal culture, traditions and history. The assembly began with a beautiful smoking ceremony delivered by elder Betty Garlett followed by two wonderful performances from Wattle 4. Thank you to Mrs Austin & Mrs Foster for thoughtfully planning out the assembly to highlight the school's connection to culture and country as highlighted by the student leaders of the school. Thank you to Allison Gorman from FLDC for organising the smoking ceremony.

If you do not wish your child to be included in the PEAC assessment, please notify the school in writing by 4.00pm Monday 22 July 2024. Please refer to the letter that went home.

The school has been advised that students will receive their NAPLAN reports in Term 3 week 1. These will be sent home to families as soon as the school receives them.

A reminder that applications for Kindy 2025 are now open and must be submitted by end of July 2024. If your child will be 4 years old by 30 June 2025, they can enrol to attend Kindy in 2025. Enrolment packs are available from the school office, or on the school website.

I would like to congratulate Jake Stott who tried out for the WA School Sport State Cross Country Team recently and came 1st at his trial. This means that he is one of six athletes in his age group to represent WA in Melbourne in August. We are very proud of his work ethic towards his training and look forward to hearing about his trip to Melbourne.

Reminder that Term 3 will commence for students on **Tuesday 16 July**, with the Monday being a School Development Day.

I would like to wish all staff, students and families a happy and safe holiday.

## Wellbeing Hub Updated

Thanks to the generous financial donation from Dr Jags, we have been able to transform our Wellbeing Hub into a welcoming and calming space for students when catching up with our Chaplain Pauline, who is onsite Wednesdays, Thursdays and Fridays. She is here to support the wellbeing of the whole school community, including staff, parents and students travelling through challenging times.

Pauline also connects with our students at recess and lunch times to build relationships and encourage healthy communication skills between friendship groups. She runs library lunch time activities that include games, colouring and Chess Club and connects with the local churches who support our school in many ways. Pauline is involved with Parent Club and is an active member of our Be You Committee that also supports the wellbeing of our school community, led by Ms Sue Bolton. Pauline is always looking for opportunities to network with local business in various ways to support our school.

## Act Belong Commit

As a Mentally Healthy, Act Belong Commit School, the staff of BCPS Commit to do something meaningful together. Over 7 consecutive years they have supported the Cancer Council Biggest Morning Tea. This year inviting our school families and local community to join to raise much needed funds.

We are also grateful to the Bull Creek Westminster Presbyterian Church who faithfully support us with morning tea each year for various school events. They provided us with an amazing Devonshire Tea.

Our goal this year was \$1000 and so far, we have raised \$791.00. A great effort from everyone involved. We will keep open the opportunity to donate over the holidays. You can find the link on our BC and P&C FB pages or click here <https://www.biggestmorningtea.com.au/fundraisers/PaulineHough>

## Mindful May and June

Our 8-minute body scan mindful Thursday mornings with Pauline continued into June and those involved seemed to enjoy the few minutes of quietness to prepare for the day ahead. We look forward to including this session into our Minday Mays next year.

## Parent Club

Our 2<sup>nd</sup> Parent Club for term 2 was a “Packed with Goodness” session sponsored by Health Way, Cancer Council WA & Crunch & Sip.

They offered some helpful information about misleading advertising and how to read ingredients labels. There were also some great tips to tempt fussy eaters.

Term 3 our 1<sup>st</sup> Parent Club will be week 3 Thursday 1 August 8.45am. We will focus on “Culture” in preparation for our Multicultural Week in term 4. All parents new and current are invited to come along for a coffee and chat over morning tea, so we can discover more about the amazing cultures we enjoy together at Bull Creek Primary and plan for how you might like to contribute in a small way.

## Chess Club

Monday lunch time Chess Club run by some keen year 6 boys is such a success we ran out of chess sets. Thankfully Mrs Twist came to the rescue and printed some for us from the school 3D printer and we had a generous donation of quality chess sets from the Bull Creek Chess Club!

## P&C Appreciation Morning Tea

What would we do without our dedicated P&C? The BCPS staff enjoyed spoiling our P&C parents with a lovely morning tea.

## Wellness Week Success!

It was a Bubbly Monday, a Crazy Socks Tuesday, some fun Indigenous games, colouring and puzzles on Wednesday, Buddy Day fun Thursday and NAIDOC dress Friday. What a fabulous way to finish off a very long and full term!

Best wishes,  
Your Act Belong Commit Committee

## Medical Needs for Students

It is very important that families inform the school of any medical needs for students. This includes asthma, allergies, anaphylaxis and any other conditions that may affect the wellbeing and safety of a student during the school day. If your child has a current medical condition or develops one throughout the school year, please obtain the medical forms from the front office and return them with updated medication as required.

## Mobile Phones Policy

# Sport Update

It has been a busy term on the sporting field! Two Carnivals featuring three sports ensured that students were kept busy throughout the term. The Bull Creek values were on display for all to see, with Bull Creek PS athletes and sporting teams representing the school ably in these disciplines.

Bull Creek Primary's Faction Cross Country Carnival was held on Thursday the 6<sup>th</sup> of June. All year groups from 1-6 were given the chance to run our John Creaney Course to earn points for their factions. It was awesome to see all students trying their best and supporting their teammates.

The Interschool Winter Carnival took place on the 21<sup>st</sup> of June. Three different teams consisting of Year Five and Six students competed against other schools in AFL and netball. The teams faced considerable challenges during the course of the day, ranging from tough opposition to dewy, slippery conditions. It was great to see all students giving their all and working hard for their team-mates.

Our AFL team finished 5<sup>th</sup> on the day, with several close games highlighting our competitiveness, rounded out with two massive wins at the end of the day. Congratulations to the team for their endeavours.

Our Netball A team made it to the grand final, in a hard-fought battle against Rossmoyne, however were defeated 10-6. They finished second overall, only dropping a game against Rossmoyne earlier in the day.

The Netball C team also battled in it out with Rossmoyne, winning 2-0 and bringing home the shield. They were the undefeated champions! Congratulations to both teams for their efforts on the day! Thank you to our students who trained diligently and behaved wonderfully on both the carnival day and the sessions leading up to it. Special thanks must also be given to Miss T, Mrs Levy for donating their time training and coaching the Netball teams, as well as to Ms Phillips, our student helpers and volunteer umpires for assisting on the Carnival Day.

Next term, we hit the ground running (literally) in preparation for both our Interschool Cross Country and Athletics carnivals.

Stay active and have a safe holiday!  
Mr. Pascoe & Mrs Levy

# Music

The Bull Creek Primary School Senior Choir attended the Cockburn Music Festival at Harmony Primary School on the 21st of May. There were around 7 schools that joined us in this event.

All the schools showcased their piece, with our school singing Brave. Our Senior Choir sang beautifully in front of the other schools.

Thank you Mr Marshall for organising this special event to showcase our talent. Also, thanks to all the other teachers who came with us and organised this amazing experience.

Written by, Haylee, Zeryab and Swati

In Week 9, the Years 1-6's attended an incursion from the 'Music in My Suitcase Band'. The incursion was about learning different types of music around the world, including languages like Turkish, Kurdish, Welsh and many more. It was an enjoyable incursion with lots of movement and dance. Many people were entertained with the singing and instruments played by the band.

Thank you to Mr Marshall for inviting the Mara Band, we hope everyone enjoyed it.

# Science

It's coming up to that time of the year again... SCIENCE WEEK!

**The 2024 theme is *Species Survival - More than just sustainability*** (10-18 August). A Supersonic Science incursion has been organised for Pre-Primary to Year 6 students and will be held on Wednesday the 14 August. The show will be a super exciting display of chemistry. More information will be provided next term. In addition, bigger and better than last year will be our hands-on lunchtime science activities starting on Tuesday the 13 August. Specialist teachers are also conducting cross curricular activities based on the school theme.

A new STEM Professionals in Schools partnership with Dr Andrew Crawford and Mr Tisdale has just started! This partnership will benefit our students with expertise and skills being taught in the areas of biodiversity. We will be working on a new project so stay tuned for exciting changes coming to our school.

# Sheoak 5

Term Two has been very busy in Sheoak Five. We have had some special events happening and all of the students have shown maturity and perseverance over the last eleven weeks.

Big congratulations to all of our students for participating in the Cross Country and giving their very best. Special mention goes to the students who were selected and will represent Bull Creek Primary School in the Interschool Cross Country Competition next term.

We have had many incursions and excursions over this term. This included an interschool swimming carnival through School Sports. The students performed with excellence in terms of achievement and behaviour. We also attended the Constable Care excursion. The students learnt many new road safety rules and once again displayed exceptional behaviour and manners. It is pleasing to see all the Year Five students consistently demonstrating the Bull Creek Values both in and outside of school.

I am sure all the students are looking forward to a well-earned rest over the school holidays. The children have put in a great team effort during a very hectic Term Two. All of the students in Sheoak Five have been working cooperatively and encouraging each other to try their best and work as a team. Some of their highlights have been;

*“My highlight has been designing a Scratch game in Digital Technology with Mrs Twist” – Aisha*

*“Scoring consistently high in my spelling tests ”- Emma*

*“Making raffia animals during Art with Mrs Perna”- Taylor*

*“I like doing the class relay during morning fitness”- Dyanthus*

*“Playing dodgeball with my class and winning overall”- Jacob*

I am so proud of all of the students in Sheoak Five and their phenomenal achievements this term.

Ms O’Neil & Sheoak Five

# Language Development Centre

At Fremantle Language Development Centre, our Talk for Writing units are language enriched to enhance the development of oral language. Wattle 9 recently completed a unit based on the book, *Windy Town*. They had fun welcoming their friends to their classroom café, and serving them food and drink.

Both Banksia 1 and Banksia 2 completed a unit based on the book, *Wilbee the Bumblebee*. Banksia 1 went on an exciting bug hunt in the school grounds with their custom-made bug hunting equipment.

Banksia 2 enjoyed researching insects and other mini beasts in their etymology lab.

While completing their *Gruffalo* unit, Banksia 3 designed and illustrated their own *Gruffalo* inspired monsters. Talk for Writing has been so much fun this term!

## HOW TO KISS AND DRIVE

Bull Creek Primary School

Bull Creek Primary School has a kiss and drive zone on Francisco Crescent – this is marked by signs and GREEN paint.

### HOW TO KISS AND DRIVE

1. Enter Francisco Crescent from the north.
2. If a bay is available AND your child is ready and waiting, pull into the kiss and drive zone, driving as far forward as you can.
3. Remain in your car.
4. Children should enter the car from the kerb-side.
5. Exit the kiss and drive zone promptly and safely.

The same applies at school drop-off

### Please do not:

- × Park in the kiss and drive zone to wait for your child – if they are not yet ready and waiting, continue around the block and return OR find another place to park
- × Double park (park alongside another car) – this is dangerous and blocks the flow of traffic

Avoid the traffic! Biking, walking and scooting are also fantastic ways to get to school

Drop off and pick up are the busiest times of the day. Please be courteous and respectful to other drivers, pedestrians and local residents.

- Bull Creek Primary School P&C -

Thankyou

## PARKING AT SCHOOL

Please be mindful of the appropriate way to use Kiss and Drive at Bull Creek Primary School.

Dangerous parking and impatient parents increases the risk of serious incidents involving our children.

Your cooperation is very much appreciated for the safety of our children.
