

## BULL CREEK PRIMARY SCHOOL | NEWSLETTER #5 – 2024

# Principal's Message

Dear Parents and Carers,

Welcome to Term 3, we are currently in the Noongar Season of Djilba which is during August and September. Djilba is a transitional time of the year, with some very cold and clear days combining with warmer, rainy and windy days mixing with the occasional sunny day or two.

It was an extremely busy start to this term with the on-set of swimming lessons. Although the weather wasn't great during our eight days the students enjoyed learning new skills. Each year schools are required to select many dates and venues in the system and are allocated with a set date and venue. Next year's swimming lessons fall in Term 2.

Thank you to the P&C and staff for spoiling us on Primary Principal's Day this year. We felt very grateful to receive such beautiful gifts, treats, cakes and coffee. We appreciate being acknowledged and valued as an integral part of the Bull Creek community.

Thank you to Mrs McCarthy, Mrs Twist, Mr Ellis for organising Bull Creek's Got Talent. The students demonstrated how brave and talented they are. It was wonderful to witness a showcase of talents including singing, dancing, playing instruments, joke telling and magical tricks to name a few. I would like to thank all students who participated in the auditions and can assure you it was hard selecting students for the final event. Thank you to the P&C for donating the finalists with a \$20 book voucher and certificate.

Mr Tisdale created an exciting week of events to celebrate National Science Week. The students were involved in planting everlasting, participating in lunch time science experiments and the Supersonic Science incursion. It has been an enjoyable and engaging week for the students across the school. Thank you, Mr Tisdale for your dedication and passion you bring to Science and Sustainability.

Yesterday, some Bull Creek students took part in the Interschool Cross Country event, competing against six other schools. It was a day full of excitement and accomplishments, with Bull Creek securing an impressive third place overall. The highlight of the day was winning the prestigious Meritorious Shield, an award based on student numbers. Every participant showcased exceptional pride, perseverance, and sportsmanship in representing our school. We are incredibly proud of all of them!

A special thanks to Mr. Pascoe, Mr. Pember and Mrs. Levy for their support and involvement.

**Congratulations to our individual champions and runners-up!**

| 5    | Arlo      | 2 <sup>nd</sup> Place |
| 6    | Jake      | 1 <sup>st</sup> Place |

I would like to wish Jake Stott good luck for his trip to Melbourne next week to compete in the W.A. School Sport Cross Country Competition.

Next week the students have two exciting events including the Junior Choir attending One Big Voice Performance and our annual Book Week Parade. I would like to thank Mr Marshall for his professionalism in preparing our Junior Choir for this special event. I would like to acknowledge Mr Marshall for his creation of the Bull Creek School Song which was unveiled at the last assembly. Mr Marshall used student voice to create the lyrics and our five school values. The song is outstanding and brought a few tears to my eyes.

Staff and student illness has been very extensive this term and has impacted our school substantially. I would like to remind all parents please do not send your child to school if they are unwell as it spreads across classrooms, blocks and the school. Currently there is a teacher shortage, and it is important our teaching staff stay healthy and well. I respect lots of our families work, however, this needs to be a combined effort for our community.

# Act Belong Commit

It's been another busy start to a fun filled term at Bull Creek Primary School. Parent club was well attended with some new faces. We were spoilt with some delicious dumplings from one of our lovely parents as we discussed our varied cultures and commenced planning for next terms Multicultural Week.

**Our next Parent Club will be in the library on Thursday 29 August at 8.45am.** Our guest, Dr Deena Ashoorian is a Senior lecturer, School of Allied Health Pharmacy at UWA will be presenting a talk for the parents called '**Cultivating Character in our Children**'. On top of her pharmaceutical interests, Deena is a Mental Health First Aid Instructor and researcher. She also has a passion for children's education and is a volunteer at Bull Creek Primary School.

PLEASE REGISTER HERE <https://forms.office.com/r/pXqaJUW1ch>

Wednesday lunch time colouring fun is so popular we have needed to increase our stocks. **A big Thank you to Life Streams Church in Bull Creek** for donating this rainbow mountain of supplies for our children to enjoy.

## Bull Creek Brain Box Chess Club

The students are loving our newly established Chess Club. Chess Club is held every Monday at lunch time and there is a wonderful spirit of belonging. Chess cultivates many positive characteristics in children. Can you think of another game that offers so many opportunities to be creative, improve concentration skills, practise being calm under pressure, create a competitive spirit, and learn independence and responsibility?

As children learn to play chess and improve their skills, they build confidence and self-esteem about how much they have progressed. The children have been enjoying playing chess as well as learning new skills and teaching each other. A big thank you to the lovely parents, Kathrine Hardegen and Candy Tam for coming to Chess Club and sharing their chess knowledge and expertise with the students.

The rewards of improving in chess have been very visible at the Bull Creek Chess Club. From making new friends and playing games with students of all ages, the gains in self-confidence have been very noticeable.

A big thank you to Samuel, Ayaan, Joshua L, Joshua F, Joey, Dinveeth, Morrie, and Curtis for being on the Chess Club Committee. Working together, they are ensuring all decisions made will reflect the school values, being **Respect, Responsibility, Inclusivity, Excellence and Resilience**.

The Chess Club Committee are very excited to announce they are working on organising their first whole school chess tournament. We look forward to sharing the highlights from this exciting tournament in the next Bull Creek Newsletter.

Best wishes,

Bullying No Way National week of action

12-16 August 2024

Bullying – important conversations to have with your child

Bull Creek Primary School is participating in the Bullying No Way: National week of action – 12 to 16 August 2024.

This year's theme is: **Everyone Belongs.**

When we feel like we belong, bullying struggles to find a place. It's about embracing who we are, respecting everyone's differences and standing up together against unkindness.

Belonging means we all have a role in preventing bullying. We're encouraged to speak up [and create a safe place where everyone feels supported and respected](#), and our voices are heard and valued.

By working collaboratively within our community, we can collectively help reduce bullying.

Parents and carers play an important role in helping your child understand bullying and know how to respond to it. If your child tells you about things at school, or you observe something in public that involves conflict or bullying, take the opportunity to talk about what bullying is. You can learn more about what defines bullying at [bullyingnoway.gov.au](http://bullyingnoway.gov.au).

Questions you could ask:

- What do you think bullying is?
- Have you seen it? How did you feel?
- Have you ever felt scared at school because of bullying?
- As well as me, who are the other adults you would talk to when it comes to things like bullying?
- Have you or your friends left other kids out on purpose? Do you think that was bullying?  
Why or why not?
- Have you ever tried to help someone who is being bullied? What happened?  
What would you do if it happens again?

Remind your child that bullying is never okay and discuss how they can respond safely if they experience or witness it. Encourage them to seek help from a trusted adult and keep seeking support if needed.

By promoting open communication, we empower children to stand up against bullying and create a safer environment where everyone can feel that they belong.

# School News

## School and Office Hours

The school office is open from 08:30am to 3:30pm.

Classroom doors open at 08:40am and the bell to start the school day is at 08:50am. Children must not arrive before 8:30am unless they are doing a leadership role or Thursday fit club.

Parents can use the services of Camp Australia to arrange before and after school care to accommodate for working hours.

## Change of Address

Please ensure that your physical address is kept up to date with the school and that you notify the school office if you have moved.

## Medical Needs for Students

It is very important that families inform the school of any medical needs for students. This includes asthma, allergies, anaphylaxis and any other conditions that may affect the wellbeing and safety of a student during the school day. If your child has a current medical condition or develops one throughout the school year, please obtain the medical forms from the front office and return them with updated medication as required.

## Mobile Phones Policy

Between the hours of 8:30am-3:05pm mobile phones will not be used by students for any communication purposes. Smart watches must be placed into 'aeroplane mode' and mobile phones are to be handed in to the office, for safe keeping, when students arrive at school and collected at the end of the day.

## Parking Around the School

Some of the parking in front of the school is a pick up and drop off zone only (Kiss and Drive). For the safety of all of our children, please do not park and/or exit your vehicle in the marked out green parking area on Francisco Crescent. If you are early, please continue to move around the block in a clockwise direction until your child is ready at the Kiss and Drive collection point.

It is illegal and dangerous to double park anywhere along the school boundary roads.

When collecting from the classroom, please find a safe parking space around the school. Parking is also available on Darley Circle with laneway access onto the school grounds.

Parking is not permitted in the staff car parks at all times and for safety reasons, please do not walk through the staff car parks before, during or after school.

**Unfortunately a number of families continue to park in the City of Melville NO PARKING ZONES around the school. If you spot someone doing the wrong thing, to help keep our community safe, please report it to the City of Melville via the below link.**

[Report Local Issues to Councils | Snap Send Solve](#)

## Absentees

If your child is absent from school, please contact the school office on 6216 4400 or email [bullcreek.ps@education.wa.edu.au](mailto:bullcreek.ps@education.wa.edu.au) as early as possible to advise of the reason for absence.

## Late Arrival / Early Departures

Students arriving to school after 9am must be signed in at the office by a parent or guardian before entering their classroom.

Students leaving school early, must be signed out at the office before the student is collected from class.

## NO Parking or Walking Through Staff Car Parks

Staff car parks are strictly a no parking area. Please do not walk through the staff car parks, it is dangerous as we have workmen, deliveries and the FLDC bus using the staff car parks.

# ART

There has been a focus in the art room on looking at Aboriginal art across most years where we have looked at traditional and contemporary styles.

The year 4's and 5's have recently completed making nests and animals out of raffia and yarn. The children first looked at the work of Wadjak Noongar textile and sculpture artist Sharyn Egan who has been commissioned to make some prominent public artworks at Yagan Square and Perth Stadium. Recently, Egan, worked with the community to make a series of life-sized Balga (grass) trees out of fibre that was displayed en-masse on the sand at the Sculpture by the Sea Exhibition at Cottesloe Beach. We also looked at the Tjanpi Desert Weavers who are a collective involving more than 400 Aboriginal women from 28 communities across the desert regions of South Australia, Western Australia and the Northern Territory. *Tjanpi* is the Pitjantjatjara word for spinifex grass. The women use grasses and coloured fibres to weave figurative sculptures and containers in combination with other materials like string, wire, animal fur, beads and seeds as well as often incorporating found objects.

The year fours had to form a nest in their hands with the raffia and gradually secure its shape with simple stitches of coloured yarn. They are now drawing native birds in preparation for the next project which is to make a clay bird to sit in the nest.

The year five children chose a variety of native and non-native animals to build after first making some observational drawings. They tried hard to look at their animal as a series of three-dimensional shapes that they loosely built and then combined using binding and stitching. Snakes were the most popular choice of animal to create. Other animals included an otter, white cockatoo, elephants, a llama, jellyfish, a turtle, seahorses, birds, a bear, a butterfly, cats, mice, a lion and some brontosaurus.

There has also been a French knitting frenzy with some clever children even teaching knitting with needles and even a bit of crochet to their peers after completing other art work.

Wattle Three and Wattle Four have been learning some basic sewing skills- threading needles, tying double knots and split knots, stitching a border using running stitch, changing the length of a stitch and attaching shapes onto their fabric.

# Banksia 5

This term in Art and in the classroom, the Year Six students from Banksia 5 are studying endangered Australian plants and animals. Each student has chosen an endangered species to study and create a written report about in class. Specifically, they are researching the species name/Scientific name/Indigenous name, their physical features, their habitat, their life cycle, their diet, their population, their threats and level of endangerment.

The students represented their animal or plant species using their preferred medium or a mixed media approach choosing from water-soluble crayons and pencils, water colour paints, acrylic or oil pastels.

They have been focusing on creating interesting compositions where the subject is the focus and the background assists in giving more information about the species habitat or adding to the message they want to express about their subject. The students have been exploring media in their journals as they go.

Favourite animal choices included the koala, numbat, the Gouldian Finch, Tasmanian Devil, the Golden-Haired Bandicoot and the friendly quokka. A plant favourite included the striking Queen of Sheba found only in Bremer Bay, a rare flower that can take up to 10 years to grow.

Some of the children chose to enter their pieces into a national art competition called *Wild at Art*. Look out for some of the art on display during Science Week. We hope viewers will be reminded of the unique wildlife we are lucky to have in Australia and the importance of protecting it for species survival.

# Term 3 Highlights in Wattle 3

We have hit the ground running for Term Three with lots of exciting topics to cover. Wattle Three students have set a wonderful example during swimming lessons, displaying beautiful manners on the bus and during swimming lessons. I am very proud of their efforts and conduct.

Our learning journey this term has been particularly enriched by the Olympics. We've been following the games with great enthusiasm, and the students have been actively engaged in designing their own team jerseys and mascots. They have also enjoyed researching the different Olympic events and the history of the games. This has provided a fantastic opportunity to integrate geography concepts as we learn about the various countries participating in the Olympics.

In addition to the Olympics, we celebrated World Elephant Day by creating some beautiful elephant artwork. This project required a great deal of patience, fine motor skills, and problem-solving abilities. I am proud to share that our students rose to the challenge wonderfully.

Please enjoy some of our super sentences about elephants below:

On a calm, quiet morning, an enormous, friendly elephant woke to a beautiful sunrise. He stretched his tired legs and wandered off, listening to the pretty calls of the gentle birds. ~ Georgia

On a magnificently foggy, cold morning, two enormous elephants gracefully trudged through the wet grassland. The sounds of birds chirping and grass rustling in the wind created a calm morning alarm. ~ Anaiiah

It was a glorious, misty morning. The small birds were singing beautifully in the quiet breeze. The elephants slowly stood up on the damp grass and sniffed the cold air, which tickled their noses. ~ Ella

## Sheoak 6 Students Start Strong

The amazing students in Sheoak 6 have returned from holidays refreshed and ready to learn!

We started the term with swimming lessons. All the students coped well with the change in routine and were very organised for their lessons. Behaviour on the bus and at the pool was excellent and reflected the Bull Creek values.

We have started our exploration of BBC micro: bit as part of the Design Technologies curriculum by familiarising ourselves with the technology and the coding app. We were excited to discover all the different inputs and coding options and can't wait to continue our learning journey.

We have been following the Olympics with great interest. There have been so many amazing athletes competing, demonstrating resilience and teamwork. Following our interest, we researched the history of the Olympics and prepared a visual display, contrasting the Ancient Olympics and Modern Day Olympics. They have changed a lot!

We have been practising our skills, ready for the Faction Athletics Carnival later in the term. We will be inspired by the Olympic spirit to do our individual best and demonstrate great teamwork.

# Wattle 7

It has been a fun-filled busy start to Term 3 in Wattle 7!

We started with swimming and then got to celebrate 100 days of Pre-Primary. This term we have also started learning about Australian animals and their features which has led us to our assembly song that we cannot wait to showcase to the school in week 7.

Here is what we had to say about our favourite part of swimming:

*“My favourite part of swimming was the floating” ~ Si-Woo*

*“My favourite part of swimming was going in the bus, and in it was noisy and it was big” ~ Phoebe*

*“On swimming I went in the round-a- bout” ~ Marvin*

*“My favourite part of swimming was going in the whirl pool and I had fun” ~ Dante*

*“My last fun day of swimming lessons” ~ Mitchell*

100 days of school is a special day celebrated in Pre-Primary. This is an exciting day where we dress up as if we were “100 years old”. This awesome day celebrates being 100 days brighter, we reflect on all we have learnt and focus on the number 100.

We got to escape our “Nursing homes of Wattle 7 and 8”, counting our steps to see the Principals’. They praised our awesome outfits and crazy accents. This was an engaging day for both Pre-Primary classes, as the door was left open for students to move between both classrooms. We spent the day with stem activities revolving around stacking 100 paper cups, moulding a scented play dough cake to fit 100 candles, building a 3-D number 100 with Lego and our favourite, make a portrait of ourselves.

*“My favourite part of one hundred days of school was watching the silent movie” ~ Chloe*

*“My favourite part of 100 days of school was 100 cups” ~ Esther*

*“My favourite part of 100 days of school was making an old person because it was using real makeup” ~ Nora*

*“My favourite part of 100 days of school was walking up to the office as old people” ~ Gracie*

*“My favourite part of 100 days of school was the Lego building” ~ Luke*

## What a year we've had already!

This year our volunteers have been incredible busy and have managed to raise thousands of dollars for our children, all whilst having fun together and getting to know each other. We're ALWAYS looking for new team members to contribute, any amount of time at all! If you'd like to be a part of our inclusive and enthusiastic team, we'd love to see you at our next meeting on Tuesday August 27th.

## QUIZ NIGHT SHOUT OUT

Thanks to all who attended the Quiz Night on Saturday July 27th. Thanks also to our wonderful sponsors and generous donations from our school community, we raised more than \$9000 for our school! Special shout out to Chris Hodson for his exceptional Quiz Master skills on the night, it was fantastic fun for all involved!

Dominoes Leeming kindly helped us 'Raise some Dough', donating \$1 from every pizza sold on Friday August 2nd, and contributed \$707 towards our total funds for the quiz night. We had some other fantastic sponsors, including Dr Jags MLA, Tony Ale Bull Creek, Sam's Health Emporium, Adrenaline Vault and Bull Creek Podiatry.

## BOOK WEEK BAKE SALE NEXT WEEK

Friday August 23rd the P&C will be holding a book week bake sale outside Banksia 6 / the wellbeing hub. If you could help support our cause and donate baked items, your contributions will be very much appreciated. Donations (**nut free**) can be dropped to the school office on Thursday 22nd August.

## FATHERS DAY STALL - Thursday August 29th

Our mums have been busy preparing for the Father's Day stall on Thursday before fathers day. Gifts can be purchased during the school day, for \$5 each, with multiple options available. Don't forget to send the kids to school with 'pocket money' to purchase a gift to spoil their father figures!

## COLOUR EXPLOSION FUN RUN - September 20th

On the last Friday of term 3, the P&C we will be hosting our annual Colour Explosion Fun Run, from 2pm. Previous years events have helped us raise over \$15000 for our school. Your children have received a fundraising booklet, which provides instructions on how to set up an online fundraising at <https://myprofilepage.com.au>. This event is SO MUCH FUN and contributes a lot to our school community. More information will follow throughout the term.

## TOMMY SUGO PASTA FUNDRAISER

Don't forget to order your Tommy Sugo Pasta as BCPS gets 15% commission from all orders! Orders over \$90 get FREE next-day delivery! See our Facebook page for the link to order, or ask your year group WhatsApp friends!

Check out our delicious home made fried rice, now available on the menu!

- Lunches must be pre-ordered - preferably using [www.spriggyschools.com.au](http://www.spriggyschools.com.au) (app or website), otherwise cash orders before 9am at the canteen window.
- Morning tea can be pre-ordered or cash transactions (excluding PP & Kindy's).
- Extra snacks, drinks and icy poles can be purchased with cash at lunch time.

## UNIFORM SHOP

We're open Mondays and Fridays 9am-9.15am.

The uniform shop is always looking for donations of old uniforms! If your children have outgrown any uniforms please return them to the uniform shop or front office, they will be on-sold to raise money for the P&C. New uniforms can be ordered online at [www.spriggyschools.com.au](http://www.spriggyschools.com.au) and will be delivered to your child's classroom. Any uniform enquiries should be emailed to [bcpspandcuniform@gmail.com](mailto:bcpspandcuniform@gmail.com)

**UNIFORM Shop**

Did you know the uniform shop is entirely run by volunteers? All money raised from the sale of new and used uniforms goes directly to the school via the P&C.

Please consider donating outgrown uniforms back to the school for resale.

# RAISE SOME DOUGH

Brother and sister, Ashwin and Anjali, have just taken over as the new Franchisees at Domino's Leeming. As one of their first orders of business, the dynamic duo partnered with the Bull Creek P&C to 'raise some dough' for our school!

The fundraiser was widely supported by the school and the community, and together we were able to raise more than \$700! We are extremely grateful to the new owners for their support, and for the HUGE effort the staff put in on the night.

Adrenaline Vault, established in 2017, stands as Western Australia's largest climbing gym, offering an array of climbing options including bouldering, top rope, and lead climbing. Their facility also encompasses a fully equipped fitness gym, complemented by diverse classes such as yoga, calisthenics, and stretch and mobility sessions.

Beyond the physical attributes, Adrenaline Vault is dedicated to fostering a close-knit community that embodies friendliness, support, and motivation. Their ethos centres on encouraging individuals to persistently strive for their fitness ambitions, nurturing both their physical prowess and mental well-being.

In line with their commitment to community and holistic wellness, they generously contributed 2 x 3-month memberships, valued at \$880 to our Quiz Night Silent Auction. These memberships will empower the winners to embark on a transformative journey within the gym, experiencing firsthand the atmosphere of camaraderie and personal growth that defines Adrenaline Vault!

## HOW TO KISS AND DRIVE

Bull Creek Primary School

Bull Creek Primary School has a kiss and drive zone on Francisco Crescent – this is marked by signs and GREEN paint.

### HOW TO KISS AND DRIVE

1. Enter Francisco Crescent from the north.
2. If a bay is available AND your child is ready and waiting, pull into the kiss and drive zone, driving as far forward as you can.
3. Remain in your car.
4. Children should enter the car from the kerb-side.
5. Exit the kiss and drive zone promptly and safely.

The same applies at school drop-off

### Please do not:

- × Park in the kiss and drive zone to wait for your child – if they are not yet ready and waiting, continue around the block and return OR find another place to park
- × Double park (park alongside another car) – this is dangerous and blocks the flow of traffic

Avoid the traffic! Biking, walking and scooting are also fantastic ways to get to school

Drop off and pick up are the busiest times of the day. Please be courteous and respectful to other drivers, pedestrians and local residents.

- Bull Creek Primary School P&C -

Thankyou
